Chris Brown

Soon as I walked in the room she was on me  
Like nigga take them clothes off and put it on me  
So Im about to go hard for real  
Let me throw your ass on the bed peel  
Your pants, your shirt, panties and your bra  
Right off of your body, Ima put you on the wall  
Who you gonna call when you need the deal  
You already know Ima freak in the sheets.

When I get you to the crib (back to the crib)  
Upstairs in the bed (upstairs to the bed)  
Girl you gon think (4x)  
That Ima champion (Ima winner)  
I know how to get it done (hell yeah)  
Girl you gon think  
Girl you gon think
