

Is This Love?

Chris Brown

17 tight jeans and she bout it
White beater T, pretty teeth, yeah she got 'em
Her body commands your attention (she keeps it so gutta man)
Can I take u out, I'll pay for it
Girl I got enough, so enjoy it
I'm hoping that your momma don't mind
Cause girl I gotta make you mine (yeah)
(Ohhh) Girl give me a chance I'm a take it
(Ohhh) Yeah I know I'm young but I'll take it
I just gotta know (yeah)

Is this love
Because I gotta know, is this real
Girl I gotta know, is it you taking over my heart
If its love, then all my girls and them I gotta give them up
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love

If she gotta man I don't care because I need her
I gotta girl but if she want I'm a leave her
She can be the girl that I'm putting on (she keep it so gutta man)
I'm a b the nigga that'll change her
Make that other dude like a stranger
I just gotta know (tell me)

Is this love
Because I gotta know, is this real
Girl I gotta know, is it you taking over my heart
If its love, then all my girls and them I gotta give them up
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love

I ain't been doing much sleeping
Just daydreaming
Cause she's all up in my head
And I can't take it
I ain't never, ever felt like this
I gotta know, I gotta know
Is this how love really is

Is this love
Because I gotta know, is this real
Girl I gotta know, is it you taking over my heart
If its love, then all my girls and them I gotta give them up
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love
(2x)
