Juice
Juice

There you go
Shakin' and it's doin' somethin' to me, doin' somethin' to me (Ooh-ooh, to me)
Play my role
Baby, when you walk up to me, walk up to me (Ooh-ooh, to me)
Give her this liquor, a hit of this blunt
Take it from me as much as you want (Ayy)
Get this money, I'll give it to you right now, baby
Right now, baby, go ahead

You got the juice right now (Oh)
You got the juice right now (Oh-oh-oh-oh)
Pull up on you right now (Oh)
I'ma pull up on you right now (Oh-oh-oh-oh)
Girl, you got the moves right now (Now)
Baby, got the moves right now (Oh-oh-oh-oh)
Oh, no, no
You takin' me up, down
You wakin' me up now
Come give it to me (Hol' up)

She don't usually do these things for anybody
She know how to play those games, yeah, with her body
You better, uh-uh, you better
You better, uh-uh, you better
You better, uh-uh, you better
Better give me that juice (Juice)

How much, girl? I'll put it up
Movin' slow, I got 16 in my cup (Oh, ayy)
Ha, know you wanna sip it
Put this shit on your lips (Haha)
Get that, do it for me (For me)
One more is all you need (You need, ha)
I know you wanna freak somebody (Ha)
So gon' do it to me (Me, oh)
Why you makin' it hard for them girls to compete?
I know you know this is where I wanna be (Ow!)
So put it right there, girl, become a part of me (Huh, oh)
And girl, give me something I can screech, ooh yeah

You got the juice right now (Oh)
You got the juice right now (Oh-oh-oh-oh)
Pull up on you right now (Oh)
I'ma pull up on you right now (Oh-oh-oh-oh)
Girl, you got the moves right now (Now)
Baby, got the moves right now (Oh-oh-oh-oh)
Oh, no, no
You takin' me up, down
You wakin' me up now
Come give it to me
Oh, no, no

Give it to me (Hol' up)

Can you hit me, girl, give me all that? (Hey)

Give me some, give me some more (Hey)

Don't be stingy, girl, you know what I came for (Hey)

Put the kitty down low, don't stop (Ow!)

I mash it up one time, rude boy, bloodclaat (Hey)

That pum-pum gonna take my heart

You make it easy to forget me 'cause you're playin' with my heart

She don't usually do these things for anybody

She know how to play those games with her body

She don't even know my name

And she know that I feel the same, oh-oh-oh

You got the juice right now (Oh)

You got the juice right now (Woo! Oh-oh-oh-oh)

Pull up on you right now (Pull up on you)

I'ma pull up on you right now (Pull up on you, oh-oh-oh-oh)

Girl, you got the moves right now

(You got the moves, you shakin' your body right now)

Baby, got the moves right now (Oh-oh-oh-oh)

Oh, no, no

You takin' me up, down

You wakin' me up now

Come give it to me

Ooh, ooh, ooh, ooh

Ha, no, she don't, don't

Play those games, oh yeah

You better, uh-uh, you better (Ooh)

You better, uh-uh, you better (Ooh)

You better, uh-uh, you better (Ooh, ooh)

Better give me that juice (Juice)
