

## Key 2 Your Heart

Chris Brown

Hey girl  
We should take this up to my room  
(uh-oh-uh-oh)  
Cause I wanna lay you down  
Do some dirty things to you  
(uhh-ohhhh)

In between the sheets  
You and me  
Girl I'm a freak  
I'mma give it up  
Guaranteed to go all night  
(Yo legs) wrapped around (round) my head  
On my shouldah  
You can teach me girl

All it takes is one drink  
one touch  
one kiss to open you up  
Girl your body turns me on right now  
On right now  
On right now  
You know I got the key to your heart  
Key to your heart (4x)  
You know I got the key to your heart

Hey girl  
Why don't you slip into that sexy lingerie I like  
(oh-yeahhhh)  
I wanna play girl  
So baby show me all the games you like  
(ohhhhhh)

In between the sheets  
You and me  
Girl I am a freak  
I'mma give it up  
Guaranteed to go all night  
(Yo legs) wrapped around (round) my head  
On my shoulder  
You can teach me girl

All it takes is one drink  
one touch

Baby let me know if you want more

Tell her we don't need more ice cause baby girl you cold  
You making me come out of my clothes  
I just want to make you so ohh  
And baby we can get right to it  
We can skip the foreplay  
I can't wait to see you ride  
And I'll be the lover of your life

All it takes is one drink
