Lady in a Glass Dress

Chris Brown

Lady in a glass dress I can see right through you You act like you don't want this But you know that you do Since he broke your heart, girl You say that you won't love again And you won't let his type girl But we know in the end

You still dream (dream) You still dream (dream) Baby, I can make your dreams come true

Oh, oh My lady in the glass dress Oh, oh
