Mama

Chris Brown

This one right here…
Goes out to my mama,
(This Goes out to mama)
Your mama,
And everybody mama (ha ha)
Here we go… listen listen

I remember Saturday mornin's
Me wakin' up to mama in the kitchen cookin' to Sam Cook and
I was just a young dude, watchin' mornin' cartoons, waitin' for mama to brai
d my hair
I used to hate to get it done, cause she'd braid it too tight
My mama always gave a style she knew I would like, and then
I would go outside and play, she'd sit on the front porch
While me and Rob played ball

Mama always did little things like that
Mama always will know I love her for that
For all the things that you used to do…
Mama I dedicate this one to you

It's straight from the heart
This is your song
You're my lucky charm so you already know,
That I'm gonna sing this one for you, so let me sing this one for you
From every tour, every show
You're my lucky charm, go wherever I go
Mama I'm gonna sing this one to you, mama let me sing this one to you

She's like the mother of Tappahannock, VA
Everybody knew miss Joyce, where we stayed
All heads said she was cool, nothing' that she wouldn't do
What about CB, she was known I acted a fool
With the little money that she made
She took the bed and made it all OK
Nights at the daycare, when we had to stay there
Always held it down, so I gotta thank you now

It's straight from the heart
This is your song
You're my lucky charm so (so you already know) you already know,
That I'm gonna sing this one for you, so let me sing this one for you
From every tour (from every tour o yea yea), every show
You're my lucky charm (you're my lucky charm),go wherever I go
Mama I'm gonna sing this (I'm gonna sing it) one to you, (Just let me sing i
t)
Mama let me sing (whoa yea) this one to you

(oo'oo)
Mama I thank you for all you've done (oo'oo)
I thank God everyday I'm your son (oh)

(You gave) You gave me everything that I need
But lovin’ me unconditionally…
Everybody say… “M-O-M-M-A”
Everybody say… mama
“M-O-M-M-A”
You know that this is your song

It’s straight from the heart (oh mama)
This is your song (aye)
You’re my lucky charm so you already know, (you already know)
That I'm gonna sing this one for you, so let me sing this one for you
From every tour (aye), every show (mama I love you so)
You’re my lucky charm, go wherever I go (wherever I go)
Mama I'm gonna sing this one to you (yeah),
Mama let me sing this one to you

This right here goes out to every mama all over the world
Mama I know I might be bad at times (mama I'm gonna sing this one to you)
I might get on your nerves, but I still love you (mama let me sign this one to you)
You always gonna be my mama
Mama, mama, my… mama

Mama I'm gonna sing this (ooh hoo) one to you
Mama let me sing this (ooh hoo) one to you
Mama… I love you
Don’t put nothin’ above you
(save this one for you)
I’ll save this one for you
