

Miracle

Chris Brown

A father, funny thing to call me
Or papa, tell me a story now
Never thought I'd be a daddy
This is crazy now
Nine months are right around the corner
Mommy's moody, she don't wanna be bothered
She's growing, her belly's getting bigger
I'm knowing that we're really getting closer

Someone who's just a boy can't understand
But here's my chance to be a man for her

It's your smile that brings me to tears
My hand feeling your kick now
You're my gift
I just wanna show you to the world
My miracle, my miracle, my miracle, oh, oh
My miracle, my miracle, my miracle, oh, oh
So amazing, my baby
My baby girl

I'm smarter now that I got a daughter
Not caught up, not worried 'bout the things that they say
'Cause I've learned just how to treat a woman
From her, there's a lot of things I didn't know
Like how beautiful you are when you sleeping
Girl, I'ma always be there when you need me
You're my lucky charm, I keep you far from harm
Baby, I won't let you go, oh

Someone who's just a boy can't understand (Woah)
But here's my chance to be a man for her, yeah

It's your smile that brings me to tears (Oh)
My hand feeling your kick now (Kick now)
You're my gift (Oh)
I just wanna show you to the world
My miracle, my miracle, my miracle, oh, oh
My miracle, my miracle, my miracle, oh, oh
So amazing (So amazing), my baby
My baby girl

Don't you cry
And you know I'm gonna hug ya
And you know I'm gonna love ya
I'ma give you the world, baby
I don't want nothin' from you
I won't place none about you
For eternity
Give all I give 'cause I
Man, you really mean that much to me
You are my baby girl
So I'ma take care of you
Oh-oh-oh-oh, oh, oh
Oh-oh-oh-oh, oh, oh
(You're my baby)

It's your smile that brings me to tears
My hand feeling your kick now
You're my gift
I just wanna show you to the world
My miracle, my miracle, my miracle, oh, oh
My miracle, my miracle, my miracle, oh, oh
So amazing, my baby
My baby girl

Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
Oh-oh-oh-oh, oh, oh
My baby girl
