The Meanest The Meaner The Second I seen her  
got me open Got Me looking Losing all my Control  
The Passion I'm feinin  
Baby You're The new Meaning  
But I Found Myself Tripping When You Walked Through The Door  
and I no It's not like me getting beside Myself She's Got Me Filling That Wa  
Y  
And I know It's not Likely That You're Gonna Deny Me And Just Walk Away

I'll Be That Guy That don't Have Time To Play,  
something Like a Schedule but it's about the same  
The Ballers In The corner are Ready For your Game  
It's looking Like your neck Are Ready For My Chain  
She'll Be That Girl I'll Be Waiting For  
Sending me them Signals That I Can't Ignore  
thought I was gonna Get Her On The Dancefloor  
Then I Saw Her Head To The Exit Door

Call Her Nice 'cause She's Got It,  
Do It Whatever Whenever 'cause She's about It  
that deer Nice 'cause I Got It Do It Whatever Whenever 'cause I'm about It  
I'm Falling For Her, She's Got Me Trap  
That Girl Is Nice 'cause She's Got, She's Got It, She's Got It, Breathe, Bre  
athe

Her body is Screaming  
I Think That She's Missing  
Ain't saying What You're Saying I'm Loosing My Cool  
You Picture A Soldier now I Got Me A Rider  
And You Ain't Got To Stress you 'cause It's Nothing To Prove  
I Know It Ain't Easy Being A Sexy Girl that's Always Getting In Her Way  
But I'm Gonna Tell you  
You Got Me Up On you  
And I Won't Slip Away

I'll Be That Guy That don't Have Time To Play,  
something Like a Schedule but it's about the same  
The Ballers In The corner are Ready For your Game  
It's looking Like your neck Are Ready For My Chain  
She'll Be That Girl I'll Be Waiting For  
Sending me them Signals That I Can't Ignore  
thought I was gonna Get Her On The Dancefloor  
Then I Saw Her Head To The Exit Door

Call Her Nice 'cause She's Got It,  
Do It Whatever Whenever 'cause She's about It  
that deer Nice 'cause I Got It Do It Whatever Whenever 'cause I'm about It
