

# Passing Time

Chris Brown

Time after time, I tell you why again  
Why won't you let me leave?  
Fuckin' up more than the bag, you fuckin' up friends  
If I told you the whole truth, would you lie?  
If my heart is in your hands, will I die?  
If your mama and your daddy don't like me  
Would you stay in my corner when I fight?  
Would you love me? (Love me)

Do you believe in life after love?  
'Cause I've been thinkin' we both had enough  
But I'm not sayin' that's the answer  
Oh, I want her to tell me if it's real, if there really ain't no trust  
I'ma make you bust, but I need you to be cool with yourself  
Maybe we be goin' slow-mo (Yeah)  
Maybe we should pick it up like on the go-go (Go-go)  
Maybe change of pace is needed for the glow up  
We can take it or we leave it or we show out

Time after time, I tell you why again  
Why won't you let me leave? (Lil' bitch)  
Fuckin' up more than the bag, you fuckin' up friends (Fuckin' up friends, something is wrong, lil' bitch)  
If I told you the whole truth, would you lie? (To me)  
If my heart is in your hands, will I die? (Will I die?)  
If your mama and your daddy don't like me (Don't like me)  
Would you stay in my corner when I fight? (When I fight)  
Would you love me? (Love me)

Don't start nothin' and it won't be nothin' (It won't be nothin')  
Good love comes with a little bag and no strings (Little bag, no strings)  
Say it now, if you ready, I can be your savior (Savior)  
Say, oh, say you with it, I'ma see you later (Later)  
Girl, you all up in my head, I keep my distance  
I been wishin' for the better in an instant  
I been handlin' all my shit 'cause it's the business  
But I know if I let go that I will miss this (Miss this)  
Miss this

Time after time, I tell you why again (Why? Why?)  
Why won't you let me leave? (Leave)  
Fuckin' up more than the bag, you fuckin' up friends (Oh-oh)  
If I told you the whole truth, would you lie? (To me)  
If my heart is in your hands, will I die? (Will I die?)  
If your mama and your daddy don't like me (No, woah)  
Would you stay in my corner when I fight? (When I fight)  
Would you love me?
