

Secret

Chris Brown

Baby, where you going? Party that way
With your sexy ass, fuck it up
Let me see you wobble, wobble, drop it, drop it, all on me
Baby, all on me, oh yeah

Take your time
Right now girl, give me the lovin' that I need, oh baby, baby
Keep it between us, this is a secret
You my little freak, girl, you know I love 'em all
'Cause you sneaky

I like it, I love it, the way you ride it
I love to eat you girl, so delicious
I know that you going to have to call into work
Because I'm giving you the business (ha)
You feel me?
Want you to show me how to so [?] a little
Push me to the limit (yeah)
Tell the neighbors we gon' fuck all night
And I don't care if they hear us
Tear that pussy up, while she looking in the mirror (oh)
Say you bad, yeah you bad, running up with you
Baby stop strippin' where the Henny at (right here!)
Breakin' glass, smokin' gas, I mean no disrespect (no babe)
I hear water, flowin' that pussy wet (ooh)
You better not tell your girls, I got up in them ribs (yeah)
'Cause that's gon' make them bitches wanna suck my dick (oh, shit)
You better take an Uber, better not tell them where I live (yeah)
Keep it to yourself (ha)
Unless you wanna share (This gon' be a party)

Baby, where you going? Party that way
With your sexy ass, fuck it up
Let me see you wobble, wobble, drop it, drop it, all on me
Baby, all on me (Baby, all on me), oh yeah

Take your time
Right now girl, give me the lovin' that I need, oh baby, baby
Keep it between us, this is a secret
You my little freak, girl, you know I love 'em all
'Cause you sneaky

You can be my little secret
Yeah, I'm saucin' on you
Baby, I'm too wavy for you, got you seasick

Diamonds just like Breezy and they on us (oh yeah)
I can't lie, you fly (uh)
And they like my drop top
I see me inside you
Got me right, no hopscotch
Fuck around and blind you
Girl, you know you sneaky
And right now I'm feelin' freaky, what you tryna do
I'm tryna wait, so I got it in you
I'm like baby where you gonna party?

Why you second guessin', you gon' miss out on your blessing

Baby, where you going? Party that way
With your sexy ass, fuck it up
Let me see you wobble, wobble, drop it, drop it, all on me
Baby, all on me (Baby, all on me), oh yeah

Take your time
Right now girl, give me the lovin' that I need, oh baby, baby
Keep it between us, this is a secret
You my little freak, girl, you know I love 'em all
'Cause you sneaky

We makin' love all night 'til the morning
I think she want a round 3
All this sexy positions
Pussy taste like mango
So you know I ate that Georgia peach
Victoria is a secret
I just pull them panties to the side
You let me in, I'm finna stay for a long while
You know your body hates me girl
Crazy for your pussy when I cuss you out
Shake that ass, smack that ass
I got the party back
Cocaine and molly, that's a heart attack
Girl when I last, you have some sex
I mean no disrespect
Girl, I'm tryna get that pussy wet
Girl, you might see me with the Bloods and Crips
Is thug life, bitch you know what it is
Two girls fucking, while I'm licking on the ear
Just where the party at?
Babe, I'm tryna make a fifth for you

Baby, where you going? Party that way
With your sexy ass, fuck it up
Let me see you wobble, wobble, drop it, drop it, all on me
Baby, all on me (Baby, all on me), oh yeah

Take your time
Right now girl, give me the lovin' that I need, oh baby, baby
Keep it between us, this is a secret
You my little freak, girl, you know I love 'em all
'Cause you sneaky
