S-S-Sex memories

(Sex memories)

Yeah, woke up to a text from you that said, "Are you sleepin'?"
Knowin' damn well I'd come alive in the evenin'
You know I need that ass a lot when we beefin'
I know you want it and don't even gotta pretend
Call me as soon as you pull up, you got the gate code
The door's unlocked, I'm sittin' right here with this bankroll
She bend it over, put her hands down on her ankles (Ooh. yeah)
Yeah, that's the type of shit I like, yeah

Promise when I do it to you, I'ma do it right (Oh-oh)
Put them legs up (Yeah) in the sky (Yeah)
Feel like you gon' fly, like we fuckin' on a cloud
Sextin' to me, bring me right to my knees (Oh-oh)

I wanna make sex memories (Memories)
'Cause we made the best memories (Oh, memories)
When you look at the bed, you think of me
It's hard for you to forget me when I leave (Leave)
I wanna make sex memories (Oh, memories)
'Cause we made the best memories
When you look at the bed, you think of me (When you look, when you look)
When you're lookin' back, you're seein' me

You want it so bad, but it be ready when I say so
Make me forget that I had any other love before
'Cause I'll flip it up (Yeah)
While you take it down
In the end, boy, you gonna want another round (Yeah)
No talkin', I got plans for you
Open it up and it's an ocean view
You already know that this is tellin' bitches to mind they buisiness
I'm your favorite now
Promise, come get it, get it
Don't ask me stay the night (Ooh, yeah)
Don't need to watch the clock, take your time (Time)
No hands all on the spot (Spot)
I can't wait to think about sex memories
Have you beggin' on your knees, oh-oh

I wanna make sex memories (I wanna)
'Cause we made the best memories (Oh, memories)
When you look at the bed, you think of me (I think of you, I think of you)
It's hard for you to forget me when I leave (I wanna)
I wanna make sex memories (I wanna, I wanna)
'Cause we made the best memories (We made the best, girl, we made)
When you look at the bed, you think of me (Yeah)
When you're throwin' it back, you look at me, yeah-yeah

When I look at the backseat of my Rover
Had plenty room, so that one time, I bent you over
What about that time I had you leakin' on my sofa?
I'm sayin' I can't help but thinkin' 'bout you so much

When I'm lookin' at my kitchen, girl, it's you (You, you, you, you, you)
I have the camera, you know it set the mood, yeah (Me, yeah)
I'm thinkin' we can try somethin' new
Yeah, that's the type of shit I like, yeah

Promise when I do it to you, I'ma do it right (Do you right)
Put them legs up in the sky (Oh)
Feel like you gon' fly, like we fuckin' on a cloud
All these sex memories of you at night (Oh you, babe)

I wanna make sex memories (I do)
'Cause we made the best memories (Oh yeah)
When you look at the bed, you think of me (I do, I do)
It's hard for you to forget me when I leave (Leave)
I wanna make sex memories (Oh, memories)
'Cause we made the best memories
When you look at the bed, you think of me
When you're throwin' it back, you look at me
