I remember nights, I was cold, ain't had no sleep
I was boosting bikes, 22 under the freeze
Mama said, "I had a gift, if I ever want to be something"
But I do this shit so she won't ever need nothing
No more payments or anything, I'm tryna move up
Renting crazy apartments, just to show my love
Appreciation, 'cause you only get one wifey and I'm thankful
And this life I lead is dangerous

Sexy, tease me with your lingerie
Water drippin' on me
Do what you want to do
Talk dirty, look me in the eyes and say (What?)
Ooh, fuck me please

Sexy, sexy
Sexy, sexy
Fuck me please
Sexy, sexy (Ooh)
Sexy, sexy
Fuck me please

Oh
