

# Show It

Chris Brown

Baby, you ain't gotta do too much (Yeah)  
When I get a taste of your love, it's amazin' (Yeah)  
And every time I feel your touch (Oh)  
Ain't nobody got my heartbeat racin'  
The way you do it to me  
Ain't nothin' that you could do to make me leave  
Only wanna get through to me (Yeah)  
Whenever you're ready, girl, I'm first in line  
You gotta know  
Ain't like your ex-man, baby, I ain't one of those  
I know you're different by the way you take it slow  
Touchin' on your body, movin' like a pro  
You done had too many lames  
Put you in a Wraith, now you're switchin' lanes  
Girl, you got me changin' up my way  
Baby, anythin' to see your face

You know what it feels like  
Come and make it feel right  
Makin' love to you  
You love it when I'm makin' love to you  
The way you make it feel like the first time  
I know that you know it, but why don't you show it?  
When I'm makin' love to you  
I only wanna make love to you

Ayy, let me address the facts (Yeah)  
You always pull up on me with that pressure pack (With that pressure)  
Keep on givin', I gotta bless you back (Gotta bless you)  
Three-round minimum, nothin' less than that, ayy  
I go above and beyond for baby  
'Cause she been understandin' the assignment lately, yeah  
Match my energy, we shinin', ain't we?  
VS20 up, color the diamonds crazy (Sheesh)  
Gotta finish but it's a ten-two (Ten-two)  
But you been knew (But you been knew)  
Yeah, I'm busy, you busy, ain't holdin' that against you  
That just make things better when we fiddle  
That just make things wetter when I slip through  
They say, "Blxst don't miss," well, I miss you  
And I'm not a killer, but tonight, I might attempt to (I might attempt)  
Tell 'em you busy, they callin' you breathless  
Gotta forgive me for bein' this reckless, but (Hey)

You know what it feels like  
Come and make it feel right  
Makin' love to you (To you, baby)  
You love it when I'm makin' love to you (Oh-oh)  
The way you make it feel like the first time (First time)  
I know that you know it (Oh), but why don't you show it?  
When I'm makin' love to you (Makin')  
I only wanna make love to you

Make love (Make love)  
I won't do it for the same girls (Same girls, same girls)  
Make love (Make love)  
I won't do it for the same girls

Baby (Yeah)  
Know-woah

You know what it feels like (Oh, baby)  
Come and make it feel right (Ooh)  
Makin' love to you (Love to you)  
You love it when I'm makin' love to you (Love to you, oh)  
The way you make it feel like the first time (Make me feel)  
I know that you know it, but why don't you show it?  
When I'm makin' love to you (Ooh, yeah)  
I only wanna make love to you (To you, baby)
