

# Super Human

Chris Brown

Weak  
I have been crying and crying for weeks  
How'd I survive when I can barely speak  
Barely eat  
On my knees

But that's the moment you came to me  
I don't know what your love has done to me  
Think I'm invincible I see  
Through the me  
I used to be

You changed my whole life

Don't know what your doing to me with your love

I'm feeling all Super human  
You did that to me  
Super human heart beats in me

Nothing can stop me here with you, superhuman  
Super human

Super human

Super human

Strong  
Since I've been flying and righting the wrongs  
Feels almost like i had it all along  
I can see tomorrow

But every problem is gone because  
I flew everywhere with love inside of me  
It's unbelievable to see  
How love could set me free

You changed my whole life  
Don't know what your doing to me with your love  
I'm feeling all Super human  
You did that to me  
Super human heart beats in me  
Nothing can stop me here with you, superhuman  
Super human

Super human

Its not a bird  
Not a plane

Its my heart and its gonna go away

My only weakness is you  
Only reason is you  
Every minute with you I feel like I can do  
Anything

Going going I'm going away  
In love  
You changed my whole life  
Don't know what your doing to me with your love  
I'm feeling all Super human  
You did that to me  
Super human heart beats in me  
Nothing can stop me here with you, superhuman
