

# The Breakup

Chris Brown

Some, yeah sometimes I was the one  
Yeah I was the one running round acting wild  
And sometimes you was the one  
Turning up with your girls, only sometimes  
Now my heart's looking the middle  
All in the middle  
Made my mistakes but I love my kid though  
My wrongs got a list a mile long

Now you wish I was the one  
Wish I was the one who couldn't sleep now  
Wish I was the one who couldn't eat now  
Wish I was the one who couldn't breathe without the other one, now you  
I'm the one that's supposed to be broken  
Break me down and build me up  
Wish that I could meet you half way  
But I don't have the heart oh, don't have the heart, oh yeah

You say you wanted love, yeah, gave you that and more  
Yeah, but when it came to trust we both fucked up  
Talking 'bout I saw you with your side ho  
I was looking for someone to ride for  
You're bringing up problems I gave you, was only a milestone  
Now we both waking up looking for missed calls and dial tones  
Now I'm sick of dreaming 'bout you, now you sick of seeing my daughter  
Her eyes look like mine, now I'm forced to pick sides

Now you wish I was the one  
Wish I was the one who couldn't sleep babe  
Wish I was the one who couldn't eat babe  
Wish I was the one who couldn't breathe without the other one and now baby  
I'm the one who's supposed to be broken  
Break me down and build me up  
Wish that I could meet you half way  
But I don't have the heart oh no yeah, don't have the heart, oh yeah

You was supposed to have the first pick  
And I don't go to church like you wish I did  
I put us in this predicament  
I wish you could believe me, crying ain't easy  
Trust me baby I need you to hold me  
I miss my friends  
Netflix and chill at the crib  
Mind, body and soul, you my rib

Now you wish I was the one  
Wish I was the one who couldn't sleep  
Wish I was the one who couldn't eat  
Wish I was the one who couldn't breathe without the other one, now you, you,  
you  
I'm the one who's supposed to be broken  
You're the one to break me down and build me up  
Wish that I could meet you half way  
But I don't have the heart, I don't have the heart, yeah oh
