

TrapHouse Blues

Chris Brown

Oh, I feel caged in
I don't know if it's the right house or the White House
You know?
You know I'm a somebody, and you're a nobody and this shit ain't for everybo
dy
You know, I'm just tryin' to live

All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men
All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men

Manson Margiella
All my diamonds marvelous
Mia Beenie, matching Rollies, go them hoes jealous
Luxury, south beach, shopping sprees
I turn the Florida eves to Florida keys
Look at me, bitch, look at me
Wrestle with the work
Fat, trap, Booker T
Too legit boy, nappy head, rich boy
I got quarters, I got halves, I got bricks, boy
You know it's me, you know my [?]
Wayne on the stage, Hoody tryna cook a key
Right wrist, left wrist, yeah all gold
Hit me on a text, baby, I don't call hoes

All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men
All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men

Still in love with my Mexican
Texts [?]
Momma I made it, baby been crazy
In the kitchen for ages, just tryna whip a Mercedes
Got hoes in the kitchen [?]
I'm drinkin' coke, whippin' coke, bitches sniffin' coke

I don't register the vocals, they gon' hear my voice

All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men
All this coke in my house I know they said something
All this coke in my house I know the feds comin'
All this coke in my house I feel caged in
I told my brother rock it up we some cave men
