

# Trust Issues / Act In

Chris Brown

I've been working late  
You've been on my case  
You wish I was better at communication (Ooh)  
Lately, you've been telling me the truest statements  
I find it hard to believe  
That you love me and only me  
I find it hard to see  
I find it hard to see

It's gon' be hard for me to give you all of me (Yeah, yeah)  
You hold it down for me, you keep this crown for me (Woah-woah, yeah, yeah)  
And I don't usually 'cause it's new to me  
But I think, I'm feelin' you  
Oh, but I got trust issues, trust issues, yeah, yeah

He can't love you like I love you  
He can't fuck you like I fuck you  
Whoever he is, can't handle you (No)  
Spendin' money ain't a thing  
I do it, baby, on that Gucci purse  
And them shoes  
You know I've been checking for you  
I know you're ready for your glow up  
And start to act like nobody know you  
Don't pick your phone up  
It's gon' be too hard for me

It's gon' be hard for me to give you all of me (Yeah, yeah)  
You hold it down for me, you keep this crown for me (Woah-woah, yeah, yeah)  
And I don't usually 'cause it's new to me  
But I think, I'm feelin' you  
Oh, but I got trust issues, trust issues, yeah, yeah

I just want the truth, you won't my feelings, no  
Just tell me the truth, I'm not the only one you're dealin' with  
I just want the truth, you won't my feelings, no  
Just tell me the truth, I'm not the only one you're dealin' with

Yeah, 'cause you ain't gotta act like you a good girl for me  
No, you ain't gotta act like, you ain't gotta like that (Yeah)  
And you ain't gotta act like a good girl, you a little freak  
No, you ain't gotta act like, you ain't gotta like that

Five in the morning, that's when we be zoned in  
Fucking up the headboards  
Girl, that's what it's there for  
Tonight, you're gonna act like you're my baby, but we know the truth  
Through my role, you might be somewhere else with your other  
Boo (Boo)  
That's crazy  
You spend time with him but I'm your baby  
You know he ain't me (Know he ain't me)  
You tell me I'm on your mind daily  
Either way

I just want the truth, you won't my feelings, no  
Just tell me the truth, I'm not the only one you're dealin' with

I just want the truth, you won't my feelings, no  
Just tell me the truth, I'm not the only one you're dealin' with

Yeah, 'cause you ain't gotta act like you a good girl for me  
No, you ain't gotta act like, you ain't gotta like that (Yeah)  
And you ain't gotta act like a good girl, you a little freak  
No, you ain't gotta act like, you ain't gotta like that

Roll it, boo'd up (Boo'd up)  
This ain't new stuff  
Got a few cups  
Go and move up  
The way you light it, throw them twos up (Ayy, ayy)  
Need that girl to do somethin'

Five in the morning, that's when we be zoned in  
Fucking up the headboards  
Girl, that's what it's there for  
Tonight, you're gonna act like you're my baby, but we know the truth  
Through my role, you might be somewhere else with your other  
Boo (I know)
