

# Waiting

Chris Brown

Baby I just had a long day  
I know you done seen my missed calls  
I done called you a thousand times  
I guess you out clubbing, baby  
I'm not gon' trip, not gon' say shit  
She gon' ask me why  
She know I'm hiding all this pain inside  
But she never see a nigga cry

Back and forth with the games  
Girl, you played me  
This ain't what I wanted  
She say she only wanna party  
Cause she in love with everybody

I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you  
I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you

I'm on a one on one  
Lamborghini speeding on the highway that's suicide  
I'm tryna follow you  
I'm scared  
You with your girls  
It's your night out  
Stressing got me looking like a night owl  
You a star now, all up on tv  
I made you famous cause I put you in the streets

Back and forth with the games  
Girl, you played me  
This ain't what I wanted  
She say she only wanna party  
Cause she in love with everybody

I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you  
I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you

I don't want you to leave  
Baby, sit down and listen  
Let me love ya  
That's all I ever wanted to do

Oh na na  
And I made you cry a thousand times  
When I went missing  
Sorry I hurt you  
I just want you to know that  
I love you

Back and forth with the games  
Girl, you played me  
This ain't what I wanted  
She say she only wanna party  
Cause she in love with everybody

I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you  
I said baby  
Look what you do to me  
Girl, I've gone crazy  
And you just got me waiting  
I'm just waiting for you
