

This is my song
This is, this is my song
For real, no doubt
This is my song
This is, this is my song
This is, this is my song
For real, no doubt
This is—

The V.I.P. is too crowded for me
I think found somewhere better, better
Like the dance floor, where the shawties be
I see one, I'ma go get her
And whoa, little mama
Never seen nobody like this
And you now I want ya
And you number one, number one on my list

Like hey, for sure, there's a whole lot of girls in here
Hands up, saying hey, this my song
She's so gone off that bottle of Patrón
So turned up tonight
And I won't let you go 'cause you drunk and I'm on
So stay tonight
'Cause it's early, it's 1:30

And the club don't close before
And the girls gon' let me give 'em, give 'em some drinks tonight
Shawty, shawty, look good, sexy, think she ready
Only one thing on my mind
So I said, "Wassup? Wassup with you, girl?"
"W-W-Wassup? Wassup? What it do, girl?"
So I said, "Wassup? Wassup with you, girl?"
Mess around and buy the whole bar, I'ma buy the whole bar

Are you tipsy? (Yeah, yeah, yeah)
'Cause I think I'm tipsy (Yeah, yeah, yeah)
I don't think shawty's no stripper but I'm gon' tip her
'Cause I got money to blow
And I been poppin' bottles all mornin'
Tell me what you want and
I'ma give it to you for sure

Like hey, for sure, there's a whole lot of girls in here
Hands up, saying hey, this my song
She's so gone off that bottle of Patrón
So turned up tonight
And I won't let you go 'cause you drunk and I'm on
So stay tonight
'Cause it's early, it's 1:30

And the club don't close before
And the girls gon' let me give 'em, give 'em some drinks tonight (Oh, babe)
Shawty, shawty, look good, sexy (Yeah), think she ready
Only one thing on my mind (Oh-whoa)
So I said, "Wassup? Wassup with you, girl?" (Whoa)
"W-W-Wassup? Wassup? What it do, girl?" (Yeah, yeah)

So I said, "Wassup? Wassup with you, girl?" (Oh-whoa, oh-whoa)
Mess around and buy the whole bar, I'ma buy the whole bar (Yeah)

Baby, you look so right tonight (Oh, baby)
Baby, you are what I like (Yeah, yeah, yeah, yeah)
Oh, yeah (Ooh-ooh)
Whoa, whoa (Oh, ooh-ooh-ooh)
Yeah, right there (The club don't close)

And the club don't close before
And the girls gon' let me give 'em, give 'em some drinks tonight (Oh-whoa, oh-whoa)
Shawty, shawty, look good, sexy, think she ready (Yeah)
Only one thing on my mind
So I said, "Wassup? Wassup with you, girl?" (You, girl)
"W-W-Wassup? Wassup? What it do, girl?" (What it do, girl?)
So I said, "Wassup? Wassup with you, girl?" (Oh, yeah)
Mess around and buy the whole bar, I'ma buy the whole bar (Yeah)

Hey, hey
Hey, hey
Hey, hey
