

# Without You

Chris Brown

If you had a choice  
Then what would you chose, to do?

I could live without money  
I could live without the fame  
And if everyday was sunny  
I could live without the rain  
And if I ever went up to heaven  
I would fall right back down  
That life wouldn't be living  
Because you're the one I couldn't live without

If I couldn't blink  
Would I still be able to see you  
I couldn't imagine  
Without arms could I reach  
No way could I ever hold you

I need these things  
Like I need you  
If you had a choice  
What would you chose  
I could live without money  
I could live without the fame  
And if everyday was sunny  
I could live without the rain  
And if I ever went up to heaven  
I would fall right back down  
That life wouldn't be living  
Because you're the one I couldn't live without

If I couldn't dream  
Would I believe that there could be a you and me  
And if I couldn't sing  
Would you be able to hear my melody  
And know that something's wrong  
And I'm afraid that you're moving on  
How can I fly when you're my wings

I need these things  
Like I need you  
If you had a choice  
What would you chose  
I could live without money  
I could live without the fame  
And if everyday was sunny  
I could live without the rain  
And if I ever went up to heaven  
I would fall right back down  
That life wouldn't be living  
Because you're the one I couldn't live without

You can take it all from me  
And it wouldn't mean anything  
Turn the whole world against me  
As long as you don't leave  
It's getting hard for me to sleep

Even harder for me to breathe  
I'm used to life with you  
Tell me what I need to do

I could live without money  
I could live without the fame  
And if everyday was sunny  
I could live without the rain  
And if I ever went up to heaven  
I would fall right back down  
That life wouldn't be living  
Because you're the one I couldn't live without

I could live without money  
I could live without the fame  
And if everyday was sunny  
I could live without the rain  
And if I ever went up to heaven  
I would fall right back down  
That life wouldn't be living  
Because you're the one I couldn't live without
