Chris Brown

Wrist, trill (wrist, trill)  
Wrist, trill, wrist (drippin' and drippin')  
Wrist skrr, skrr tip, four tip, wrist  
Trippin', trippin' (trippin', trippin', trippin', trippin', trippin', trippin')  
)

My wrist 'bout thirty below  
Why would I be worried 'bout hoes?  
And if you ain't ever leaning, swerving in traffic  
You ain't feel that dirty before  
Kept me tipping on four, diamond trippin'  
Prolly sippin' on four  
Ferragamo slippers dipped 'em in gold with so many women  
Think I'm pimpin' on hoe!

'Cause my wrist still drippin', popo still tip  
And the cut with my hittas  
No they do not miss  
I'm a champagne pourin' n\*gga  
I love big asses and tits (Show me them tities)  
And if you're here just to witness, I just just promess this

Hold my wrist, tip, four, tip  
Wrist, drip, popos tip  
On my wrist, tip, four tip  
Wrist drip, popos tip

No he not ballin' like us, who the fuck he think he is?  
You gotta come to my city, you gotta see how we live (Pull up with the drug dealers)  
You just come on the bed, I should just fuck you right now  
Or just forget what I said, I just be thinkin' out loud  
Thinking out loud, thinking out loud  
Can I hit in the mirror? (Yeah) I wanna see your body clearer  
Let's think out loud (Think out loud)  
Girl my wrist doin' 85 in a 35, 35, 35

Wrist, tip, four, tip  
Wrist, drip, popos tip  
On my wrist, tip, four tip

My wrist 30 below, it cost about 40  
Got 50 on me, my neck is retarded  
But n\*gga I don't get it, my b\*tch is a ...  
She from the streets so don't get us started  
Handcuffs like I got arrested homie  
Ferragamo on me got me flexin' on 'em  
More mud, got all these taxes on me  
Over diamonds shining that's for VVS' only  
... activis  
Tippin' on four, ... you just sleep on it like mattresses  
But that's how it go, I'm gettin' that dough ain't about to count  
Up like it's calculus  
I got my name out that trappin' shit but I got the fame out that rap and shi  
t  
Now my watch and my chain is immaculate
