

Death by Design

Chris Caffery

High noon at another last supper
Dead man walking in the heat of the sun
Full house showing on the Eve of deceit
Shake hands with the devil
He's a lookin' pretty sweet

I don't wanna live forever,
I don't wanna die for pleasure

Oh, It's just a matter of time, 'til we must say goodbye
It's death by design

Boardwalk empire time to roll the dice
Knew they'd pull the trigger but you didn't think twice
Stranglehold maniac takes the wheel
One for the money, two for the deal

Noone's gonna live forever, Finger print the buried treasure

Oh, It's just a matter of time, 'til we must say goodbye
It's death by design

I know about the cost of living
I've paid for my death, I paid in advance
No war is worth a souls unforgiving
No peace while they're all in a trance

Oh, It's just a matter of time, 'til we must say goodbye
It's death by design

Death, death, death

Your death is by design
Your death is by design
We're all doin' time
Your death is by design.
