

Saddamize

Chris Caffery

(Spoken words, dialogue)

Jihad, Holy Jihad!

Fucked in the assets, the fruits of the land
Perched in the desert, a vultures demand
Reeked is the havoc for power obtained
Freaked are the masses the anger contained

(Spoken)

Hell is made possible, it calls for the war
Sell the recessable, the whole is a whore

Chorus

As we

SOCIALIZE

To break barriers

VOCALIZE

To shake warriors

VISUALIZE

To seek carriers

This life is insane

ECONOMIZE

The investors

LABOTOMIZE

The worriers

ENTERPRISE

The martyrs will inject the pain as they Saddamize

Fucked is the annals, a waste of your breath
Trenched in the mindset, we all accept death
Freaked are the masses, who dares to detain
Reeked is the havoc, the grease is obtained

(Spoken)

Jihad your dream, you live for the war
Your children they scream, what the fuck is it for?

Chorus

As we

SOCIALIZE

To break barriers

VOCALIZE

To shake warriors

VISUALIZE

To seek carriers

This life is insane

ECONOMIZE

The investors

LABOTOMIZE

The worriers

ENTERPRISE

The martyrs will inject the pain as they Saddamize
