

# Play It Loud

Chris Cagle

Hey, hey turn up that song, I think about you when it comes on  
And I get lifted off the ground  
And when you're in my arms I feel the beat down in my heart  
It makes my world spin around

So come on baby, you know the moment's right  
Yeah, take me by the hand  
And we can rock away the night  
I want to dance 'til the break of day

To the music that we make  
There's never been a sweeter sound  
I want to wake the neighbors  
Make the headlines in the morning paper

No I don't want to turn it down  
'Cause there's nothing the rhythm of love  
So play it loud  
You're like a melody

And girl it gets all over me  
When you move the way you do  
And when I feel your touch  
Then it gets to be too much

You know it puts me in a mood  
Come on baby, don't be shy  
Just open up your heart and hold on tight  
I want to dance 'til the break of day

To the music that we make  
There's never been a sweeter sound  
I want to wake the neighbors  
Make the headlines in the morning paper

No I don't want to turn it down  
'Cause there's nothing the rhythm of love  
So play it loud  
So come on baby, you know the moment's right

Take me by the hand  
And we can rock away the night  
I want to dance 'til the break of day  
To the music that we make

There's never been a sweeter sound  
I want to wake the neighbors  
Make the headlines in the morning paper  
No I don't want to turn it down

'Cause there's nothing the rhythm of love  
So play it loud
