

Safe And Sound

1. Think of a time when morning will come and you will wake up
F C Dm Eb
Without the feeling that half the world has gone insane
F Am Eb B
You'll open your eyes, reading your paper, a drink from your cup
F C Dm Eb
No one was burning down time while you were sleeping
Ab Eb Cm
I've never seen but I believe
C F
In a promised land

F Am Eb B
R: Why can't we pull this together?
F Am Eb B
One and all, now and forever
F Am Eb B
Why can't we pull this together?
Gm F Eb B
We can say we finally found a world that's safe and sound

2. Think of a place that you could believe in whatever you want
Not keep it secret, have to risk your life just to be yourself
A place where you'll walk safely, no matter your color or age
More than the greed of you and me decides the fate of the day
I'd never seen but I believe
In a promised land

R: Why can't we pull this together...

Gm F Eb B
*: I'd rather see you setting free than watch the curtains coming down

F Am Eb B
3. Think of a life you won't take the breath from somebody else
F C Eb B
One where you're seeking more than yourself

R: Why can't we pull this together... (2x)

Gm F Eb B
I'd rather see you setting free than watch the curtains coming down
