All Of Me

Chris Crocker

```
Some make me feel like I'm too much
And others make me feel like I'm not enough
But one thing's for sure I never wear a cover up
Yeah, one thing's for sure

I wanna know that when I die
That I have shown all I have inside
I wanna know that when I die
That I have shown all I have inside

It's why I don't care if I scare them away
It's why I don't care if they say I'm too gay
It's why I don't care if show my personality
'Cause I wanna know whoever says they love me

Knows all of me

The truth heals it's denial that hurts
There's never been a lie worth being told
'Cause who can afford being loved for what you're not
Yeah, who can afford

I wanna know that when I die
That I have shown all I have inside
I wanna know that when I die
That I have shown all I have inside

It's why I don't care if I scare them away
It's why I don't care if they say I'm too gay
It's why I don't care if show my personality
'Cause I wanna know whoever says they love me

Knows all of me

And if you ever wanna just why
I'd rather look you in the eye than ever live a lie

It's why I don't care if I scare them away
It's why I don't care if they say I'm too gay
It's why I don't care if show my personality
'Cause I wanna know whoever says they love me

Knows all of me
