

# Deep End

Chris Crocker

Bodies touching, we're in heat, we're undercover  
When you look at me, there ain't no other  
Heart is rushing all of a sudden, I want you closer  
I gotta trust you, I wanna be your lover

Skin on skin, oh yeah, bout to give in  
Breath me out, voila  
Breath you in  
(Skin on skin and I'm bout to give in)  
(Skin on skin and I'm bout to-)

We're in the deep end now  
Try to give you up but I don't know how  
You like it when I smile and then you pull me in  
We're in the deep end now  
You say you want my love you say you want it now  
I like it when you smile and then you pull me in

Mouth to mouth  
Mouth to mouth  
In the deep end now  
Mouth to mouth  
Mouth to mouth  
We're in the deep end now

Got me cumming, this is deep like water  
Your breath on me, I'm falling under  
You call me baby then I kiss your whisper  
You're all on me, feels so good it hurts

Skin on skin I'm about to give in  
Skin on skin ohh

We're in the deep end now  
Try to give you up but I don't know how  
You like it when I smile and then you pull me in  
We're in the deep end now  
You say you want my love you say you want it now  
I like it when you smile and then you pull me in

Mouth to mouth  
Mouth to mouth  
In the deep end now  
Mouth to mouth  
Mouth to mouth  
We're in the deep end now

Yeah  
You got me right where you want me and I've got you where I want you

We're in the deep end now  
Try to give you up but I don't know how  
You like it when I smile and then you pull me in  
We're in the deep end now  
You say you want my love you say you want it now  
I like it when you smile and then you pull me in
