

Not Nice

Chris Garneau

Always so still, i never will, be like you.
And you never will strike, me better
ba da...

It's always so clear, you never really hear, at all..
and i fear, that you wont get better
ba da dum

As when your not being nice,
your not nice, your not nice,
your not nice.
I'd rather leave you alone,
I'm gonna leave you alone

You've been quiet for so long,
something was wrong,
you never said it a word.
So i know that you won't get better,
ba da dum

that's your fifth drink,
don't you think, that that's a lot?
Considering we've only been her for a little while now
oh ohhh oh

when your not being nice,
your not nice, your not nice,
your not nice.
I'd rather leave you alone,
i'm gonna leave you alone

Your' always so still,
I, never will
be like you-hew-hew,
and you never will strike me a better at all- ohh oah

Sometimes your nice,
but when your not nice, your not nice,
your not nice.
I'd rather leave you alone,
I'm gonna leave you alone.
