

The Leaving Song

Chris Garneau

I, I know you like it.
I, I know you do.
I have made a ruckus.
And I made it for you.
You, you, you, you, you.
You, you, you, you, you.
You are all I know.

You are all I know.
Go, go, go, go.
Go, just go.
Sing, sing, sing
Of leaving songs,
Like you're leaving.
Goodbye.
Goodbye.
