

# Back Again

Chris Grey

Feel the room getting closer  
As my mind wanders further from the truth, uh  
Now my fear's taking over  
Try to fight it like I got something to prove

Losing sight  
Going blind  
I've been lyin' to disguise  
That my mind's running wild (oh)

It's back again  
Pounding in my it's fucking back again  
Running out of breath  
It's getting bad again, woah  
I thought I was past it  
I don't need more practice  
It's back again

(Cuz it's back again)  
Oh, it's back again  
(It's back again)  
Oh yeah, it's back again, no no  
(It's back again)  
Oh, it's back again  
Yeah it's back again

Push myself a little further  
Off the edge of people who love me the most, yeah  
But I'm just an observer when it starts no  
I don't have a choice  
Feel my heart rate going up  
And I can't do nothing about it  
Gripping on my chest  
Holding me down  
Feel like I'm drowning oh  
Spiral out of control  
I've been tryna stay afloat  
Think I hit a new low, yeah yeah

Losing sight  
Going blind  
I've been lyin' to disguise  
That my mind's running wild

It's back again (woah)  
Pounding in my it's fucking back again (yeah yeah)  
Running out of breath  
It's getting bad again, woah  
I thought I was past it (past)  
I don't need more practice (ah)  
It's back again

(It's back again)  
Oh, it's back again  
(It's back again)  
Oh yeah, it's back again, no no  
(It's back again)

Oh, it's back again  
Yeah, it's back again

Ah yeah yeah  
I'm gasping for air in my chest  
I'm grasping at whatever's left, oh  
I've been trying to hold on, yeah  
But I'm losing my grip, yeah  
Off the edge I might slip

It's back again (woah)  
Pounding in my it's fucking back again  
Running out of breath  
It's getting bad again, woah (bad bad oh)  
I thought I was past it  
I don't need more practice  
It's back again

(It's back again)  
Oh yeah, it's back again  
(It's back again)  
Oh yeah, it's back again, no no (oh)  
(It's back again)  
Oh, it's back again  
Yeah, it's back again
