

CHASIN'

Chris Grey

She wanna be famous, rockstar
Hotel out in Vegas, 5 stars
Spending more than we're making, my god
This the life that we're chasin, life that we're chasin, chasin

She ain't ever learn how to compromise
I don't know how to hold back it's just overdrive, no
We ain't having fun until it's all on the line
She said, "life is right here, but I like it higher"
She said, "I'll go anywhere you anywhere you go"
Never been the one to take it slow
Let's go anywhere but home
Don't take me home

She wanna be famous, rockstar
Hotel out in Vegas, 5 stars
Spending more than we're making, my god
This the life that we're chasin, life that we're chasin

Imma roll the dice, no fucks
I'm feeling lucky tonight, take your clothes off
I came here to make a statement
Acting like we're famous
Spending money that we don't have but we're chasin

If she say she loyal that's a damn lie
Shawty fell in love with my whole bands right
Texting you goodnight from my lil bedside
She just want the best life
Hit you with that red eye, oh no
Fell in love with all the lights
Shawty wanna live that life
Imma do it til I die, oh no
I can sink it when I like
Hundred thousand, yeah that's life
When I pull up it's on sight

She wanna be famous, rockstar
Hotel out in Vegas, 5 stars
Spending more than we're making, my god
This the life that we're chasin, life that we're chasin

Imma roll the dice, no fucks
I'm feeling lucky tonight, take your clothes off (off)
I came here to make a statement (yeah)
Acting like we're famous
Spending money that we don't have but we're chasin, chasin

(But we're chasin, chasin)
(Yeah yeah oh)

She wanna be famous, rockstar
Hotel out in Vegas, 5 stars
Spending more than we're making, my god
This the life that we're chasin, life that we're chasin

Imma roll the dice, no fucks

I'm feeling lucky tonight, take your clothes off (off)
I came here to make a statement (yeah)
Acting like we're famous
Spending money that we don't have but we're chasin, chasin
