

Goodbye

Chris Grey

Oh, yeah, oh, oh

I'm sorry
I'm sorry 'cause I lie when I said I'd only stay for one night
Yeah, that's just a life
But something's going wrong right now

And I got to let go
And I got to move on
And I've tried
Oh, I've tried I've tried I tried
Oh, I tried

And we keep thinking we can do this
But we can't, no we can't
And we keep thinking we can move on
But we can't, no we can't
And I keep wanting you to change for me
But you can't, no you can't
And you keep wanting me to stay with you
But I can't, no I can't

Thank you, thank you for the days and the nights
That you spent of my life
Goodbye, goodbye for now
But I hope that we gon' see each other's face again

And I got to let go
And I got to move on
And I've tried
Oh, I've tried I've tried I tried
Oh, I tried

And we keep thinking we can do this
But we can't, no we can't
And we keep thinking we can move on
But we can't, no we can't
And I keep wanting you to change for me
But you can't, no you can't
And you keep wanting me to stay with you
But I can't, no I can't

I know it's hard to say goodbye
Let's take this one step at a time
Ya this is never easy
And you don't make it easy
But this went on for too long
And I can't take it anymore

And we keep thinking we can do this (anymore)
But we can't, no we can't (no we can't)
And we keep thinking we can move on
But we can't, no we can't (no)
And I keep wanting you to change for me (just change just change)
But you can't, no you can't
And you keep wanting me to stay with you
But I can't, no I can't

Yeah yeah yeah yeah

Yeah yeah yeah yeah

Oh

But you can't you can't you can't you can't

Oh, we can't no we can't we can't we can't we can't we can't
