

## MAKE THE ANGELS CRY

Chris Grey

They never wanted me to find you  
Told me you can't fight against fate  
But I get the feeling I've been lied to  
Every time that we touch

I hear the angels cry  
No they don't want you to be mine  
Our love's got them terrified  
Baby you and I  
Make the angels cry

The ground caves in when we're together  
Heaven will never let us in  
But this world wasn't made to last forever, oh  
Every time that we touch

I hear the angels cry  
No they don't want you to be mine  
Our love's got them terrified  
Baby you and I  
Make the angels cry
