

## When I'm Gone

Chris Grey

I could show you things that you've never seen before  
And if you follow me I promise you won't be bored  
I'll just show you love ya love without the war  
The war

And you don't need to love me  
'Cause I don't really love you  
I just want you to know that  
I just want you to know

That I ain't gonna say sorry for what I've done  
And you're not gonna say it for what you've become  
And you're not gonna be sorry when I'm gone  
When I'm gone

Ya Imma make it special so you do not forget  
And girl I promise this is something you will not regret  
You can trust in me ya I am not a threat

And you don't need to love me  
'Cause I don't really love you  
I just want you to know that  
I just want you to know

That I ain't gonna say sorry for what I've done  
And you're not gonna say it for what you've become  
And you're not gonna be sorry when I'm gone  
When I'm gone

Ya I'm never coming back  
So don't get used to this  
Ya this ain't normal  
Just don't get used to this

Ya I'm not gonna say sorry for what I've done  
And you're not gonna say it for what you've become  
And you're not gonna be sorry when I'm gone  
When I'm gone  
Oh

That I ain't gonna say sorry for what I've done  
And you're not gonna say it for what you've become  
And you're not gonna be sorry when I'm gone  
When I'm gone
