

Here We Go Again

Chris Holsten

Why am I still here when you're crying on my shoulder?
We made it perfectly clear when we said, "This is over"
Ye-e-ay
But we always end of going right back
Then we mess each other up
Just like that
I was perfectly clear can't go on any longer

I know we said that we should be just friends
I know we said that this time it's the end
But here we go again
Here we go again
Here we go again, oh ye-a-h
Here we go again
Here we go again
Here we go again, oh ye-a-h

It's obvious to see that we're meant for each other
You saying 'one last time'
But then we do it all over

I know we said that we should be just friends
I know we said that this time it's the end
But here we go again
Here we go again
Here we go again
Here we go again
Here we go again
I know we said that we should be just friends
I know we said that this time it's the end
But here we go again
Here we go again
Here we go again
Here we go again
Here we go again
Here we go again
Here we go again
Here we go again
