

I Don't Feel Myself

Chris Holsten

I tried it all believe me, dated a few
Roses and homemade dinners but I can't stop thinking about you
I tell myself it's over, my friends say I'm nuts
Forget that you ever known me, need this to stop but...

I don't know, I don't know, I don't know what I'm doing
I try to get drunk before the night's over
But when I get home I'm still sober
Let me know, let me know, let me know what to do
I want to forget everything I knew
But I don't feel myself without...

You, you, you
I don't feel myself without...

We used to go out dancing, table for two
Remember we went to Paris? It was just me and you
Now I'm just out here walking with someone I don't love
Why is it so hard to even try to move on?

So let me know, let me know, let me know what to do yeah
I want to forget everything I knew
But I don't feel myself without...

You, you, you
I don't feel myself without...
You, you, you
I don't feel myself without...

You
Without you
You
Without you
I don't feel myself without...

And I need to get over you
I need to get over you
'Cause I don't feel myself
I don't feel myself
And I need to get over you
I need to get over you
'Cause I don't feel myself
I don't feel myself without you
