

New Beginnings

Chris Holsten

Sometimes [?] replies with broken hearts
And you think you would never get up again
Although how it hurts someday I'll find that someone new
Sometimes [?] replies with broken hearts
Maybe it is for the best oh
Although how it hurts, I'll be fine
So cheer for the new beginnings, so...
Let's go

Bah da bah da bah da bah da da da
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da
Cheers for the new beginnings
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da

I didn't sleep for nights
Walking around in dirty clothes
Bumped into stupid fights
Out of control and still I don't know where to go
But I know I'm gon' to be just fine (yeah)
I didn't eat for days
Too busy reminding what we have
Stuck in an empty haze
But I'm still the man you always knew
They won in chapter 2, I'm back
So cheers for the new beginnings

Bah da bah da bah da bah da
Cheers for the new beginnings so...
Bah da bah da bah da bah da
Now I'm just here for the new beginning

I'm not trying to knock you down
Just keep in mind it's for the better
Cheers for the new beginnings

Bah da bah da bah da bah da da da
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da
Cheers for the new beginnings
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da da da
Bah da bah da bah da bah da
Baby let's cheers for our new beginnings
