

Time Machine

Chris Holsten

Leave and put in a past life, please
On a map with no clues to read
And hope [?] ever finds me

Feels like [?]
I might run into you here
Still I don't know why
I'm so scared to see ya, oh yeah

I can't remember, feels like forever
Then you took me back in time to a place I recognize
Can't cut the tension, my apprehension
This was all a big surprise
I don't know why your face hit me like a...
Time machine a flash [?]
Oh yeah, oh yeah
Time machine a flash [?]
Oh yeah, oh yeah

So go live a life that's not on hold
No ankle weight here no more
Years later it still feels raw
And I'm scared to see ya

I can't remember, feels like forever
Then you took me back in time to a place I recognize
Can't cut the tension, my apprehension
This was all a big surprise
I don't know why your face hit me like a...
Time machine a flash [?]
Oh yeah, oh yeah
Time machine a flash [?]
Oh yeah, oh yeah
