

Unproved

Chris Holsten

Gonna be there
Gonna be there
Gonna be there
Gonna be there

The lights go out
Everytime I catch ya
Everytime I catch ya looking away
Through old locked doors
Let me get a head up
Think I got a clue of what you're thinking

If I could move it all back in time
You figure out I didn't mean anything at all, oh
If I can move the pictures from your mind, oooh
Everytime I catch ya, let me

Make it up for all I did wrong to you, c'mon
Make it up, I'm gonna be there for you
So keep your head above
Gonna be there, the unproved, c'mon
Gonna be there, the unproved

It's on your tongue
Clearly I can see it, I could almost reach the images you keep
Unbreak these bones, why leave us hanging
Swinging from the edge of memories

If I could move it all back in time
You figure out I didn't mean anything at all, oh
If I can move the pictures from your mind, oooh
Everytime I catch ya, let me

Make it up for all I did wrong to you, c'mon
Make it up, I'm gonna be there for you
So keep your head above
Gonna be there, the unproved, c'mon
Gonna be there, the unproved

Gonna be there
Gonna be there
I'm gonna be there for you, girl
Gonna be there, the unproved
The unproved
Let me make it up for all I did wrong to you, the unproved, c'mon
Make it up, I'm gonna be there for you
So keep your head above
Gonna be there, the unproved, c'mon
Gonna be there, the unproved
The unproved, girl
