

Breaking Apart

Chris Isaak

Just another day without you.
I'll be okay without you .
I'll be fine.
I'll be alright.

I'll find some one new without you.
Somebody just like you but not you.
I'll be alright.
Say I'll be alright.

But
I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

I hardly ever think about you.
I said I'd call but I don't need to.
I'll be fine.

I've got so much to do without you.
I said that I'd be lost without you.
I'll be fine.
Just give me time.

Cause
I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

And I'm hoping, you're doing fine too

I don't wanna sleep without you.
Dreams don't mean a thing without you.
I feel so alone without you.
Baby come back I need you.

I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

And I'm wondering, if you're doing fine too.
