## **Breaking Apart**

Just another day without you. I'll be okay without you . I'll be fine. I'll be alright. I'll find some one new without you. Somebody just like you but not you. I'll be alright. Say I'll be alright. But I'm breaking apart inside. I'm breaking apart inside. I cry in my sleep at night. I'm breaking apart without you. I hardly ever think about you. I said I'd call but I don't need to. I'll be fine. I've got so much to do without you. I said that I'd be lost without you. I'll be fine. Just give me time. Cause I'm breaking apart inside. I'm breaking apart inside. I cry in my sleep at night. I'm breaking apart without you. And I'm hoping, you're doing fine too I don't wanna sleep without you. Dreams don't mean a thing without you. I feel so alone without you. Baby come back I need you. I'm breaking apart inside. I'm breaking apart inside. I cry in my sleep at night. I'm breaking apart without you.

And I'm wondering, if you're doing fine too.
