Doncha' Think It's Time

Chris Isaak

I've been yearning for a little romance I wanna know when you gonna give me a chance Kiss me honey, tell me your mine Doncha' think it's time

I've been yearning for a sweet embrace Rub my hair till I'm a total disgrace Kiss me honey make my life divine Doncha' think it's time

I don't wanna walk without you Walkin' right by my side It hurts me to see you talkin' With the other guys

I get so warm when you touch my cheek You thrill me so much that I can hardly speak Love me honey tell me you're mine Doncha' think it's time

I don't wanna walk without you Walkin' right by my side It hurts me to see you talkin' With the other guys

I get so warm when you touch my cheek You thrill me so much that I can hardly speak Love me honey tell me you're mine Doncha' think it's time Doncha' think it's time Doncha' think it's time Doncha' think it's time
