

# I Believe In Santa Claus

Chris Isaak

I believe in Santa Claus, I hope that you do too  
'Cause Santa Claus believes in you  
I believe that children know more than you think they do  
'Cause they believe in Santa too

Every Christmas Eve, the children run and spy  
Just to catch a glimpse as Santa's sleigh flies by  
I believe in fairy tales, imagine me with you  
Santa make my dream come true

Ba-ba-ba-ba-ba, ba-ba-ba, ba-ba  
Ba-ba-ba-ba, ba, ba-ba

Underneath the mistletoe, you hold me tight  
Santa make my dreams all come true tonight  
I've been dreaming all my life for someone just like you  
Santa Claus makes dreams come true  
Santa made my dream come true
