

# Get It Right

Chris Janson

Well, I've always been good  
At gettin' in my own way  
And I know what my boots taste like  
With every other word I say  
Not knowin' when to say when  
Before it starts a fight  
When it comes to bein' wrong I get it right

I get it right in the middle  
A Charlie on the Fiddle  
And I just can't help myself  
I put the Lynyrd in the Skynyrd  
And the losin' in the winnin'  
Put the Heaven into raisin' hell  
I'm a comeback kid, rockin' Rollin' Stone  
Turnin' Mondays into Friday nights  
When it comes to bein' wrong I get it right

I got a hankerin' for Hank and them  
And them songs comin' from the past  
And if you don't wanna know what I think  
Then you probably shouldn't have asked  
You wanna make some bad decisions  
You don't have to ask me twice  
'Cause when it comes to bein' wrong I get it right  
That's right

I get it right in the middle  
A Charlie on the Fiddle  
And I just can't help myself  
Put the Lynyrd in the Skynyrd  
And the losin' in the winnin'  
Put the Heaven into raisin' hell  
Yeah, I'm a comeback kid, rockin' Rollin' Stone  
Turnin' Mondays into Friday nights  
When it comes to bein' wrong I get it right

Yeah, I'm a grade-A, straight A  
Hole in the wall and everybody knows that's true  
When you're good at somethin', give it all you got  
Baby, that's what I do

I put it right in the middle  
A Charlie on the Fiddle  
And I just can't help myself  
I put the Lynyrd in the Skynyrd  
And the losin' in the winnin'  
Put the Heaven into raisin' hell  
Yeah, I'm a comeback kid, rockin' Rollin' Stone  
Turnin' Mondays into Friday nights  
When it comes to bein' wrong I get it right  
Yeah, when it comes to bein' wrong I get it right
