

# G.O.A.T.

Chris Janson

If you gonna be a bear be a Grizzly  
If you gonna be a singer be a star  
If you gonna play the field be the quarterback  
If you gonna go to work be the boss  
If you gonna be the boss be a kingpin  
Gonna entertain be the star of the show  
If you gonna play the game be the best of the best  
If you gonna be alive be the G.O.A.T

Be the greatest of all time  
Be the chateau, not a cheap wine  
Be the rhythm in the rhyme  
Love a girl 'til the end of time  
Party like a rock star every single chance you get  
Remember that you lose if you don't win  
Be the best of the best let everybody in the world know

If you gonna be alive be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby  
Be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby

Be the second coming, of Bocephus  
I'm working hard to be more like Jesus  
I'm bringing country back, hell I'm the reason  
Giving a voice to the common people  
Waiting all year for deer season  
I'm breaking records of bucks I ain't teasing  
I ain't sitting around and daydreaming  
I'm going getting it man, full steaming

Be the greatest of all time  
Be the chateau, not a cheap wine  
Be the rhythm in the rhyme  
Love a girl 'til the end of time  
Party like a rock star every single chance you get  
Remember that you lose if you don't win  
Be the best of the best let everybody in the world know

If you gonna be alive be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby  
Be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby

People gonna love you, people gonna hate ya  
People gonna steal your joy and downgrade ya  
The world'll pull you down and enslave ya  
So go and get it with the tools God give ya

Be the greatest of all time  
Be the chateau, not a cheap wine  
Be the rhythm in the rhyme  
Love a girl 'til the end of time

Party like a rock star every single chance you get  
Remember that you lose if you don't win  
Be the best of the best let everybody in the world know

If you gonna be alive be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby  
Be the G.O.A.T  
Be the G.O.A.T  
Be the greatest of all time, baby
