

## Mine Does

Chris Janson

Not every girl comes from a no-name town  
But mine does  
Not every girl likes a fire when the sun goes down  
But mine does

I've been around the world, I've seen a lot of things  
But nothin' turns me on like her in them jeans  
There ain't nothin' about her that I don't love  
No other girl ever got me like mine does  
Like mine does

Not every girl likes a good ol' boy like me  
Naw, but mine does  
Not every girl likes the dirt beneath her feet  
Yeah, but mine does

I've been around the world, I've seen a lot of things  
But nothin' turns me on like her in them jeans  
There ain't nothin' about her that I don't love  
No other girl ever got me like mine does  
Like mine does

She was born down south on 75  
Oh, off a two-lane road in the Georgia Pines

Not every girl knows the words to Dixie Land Delight  
Mine does  
Not every girl wants to honky tonk tonight  
Aw, but mine does  
Yeah, yeah

I've been around the world, I've seen a lot of things  
But nothin' turns me on like her in them jeans  
There ain't nothin' about her that I don't love  
No other girl ever got me like mine does  
I've been around the world, I've seen a lot of things  
But nothin' turns me on like her in them jeans  
There ain't nothin' about her I don't love  
No other girl ever got me, girl ever got me like mine does  
Like mine does, like mine does  
Like mine does, oh yeah
