

Redneck Revival

Chris Janson

We got a farm field full of Road King hogs
Yeah big old tires ready for the bog
JR and the boys singing Motley Crue
Yeah sippin' on Mason jar Mountain Dew

It's a homegrown mix of the bottle and the Bible
Country boy survival
Dog tags Mossy Oak
Bad ass no joke
It's a congregation of sinners and disciples
Yeah redneck revival

Check it out

We got tailgate kegs where the beer just flows
Yeah we got country girl cuties with their muck boots on
If the good Lord's willin' we're gonna get crunked
Baptized by the river and washed by the mud

A homegrown mix of the bottle and the Bible
Country boy survival
Dog tags Mossy Oak
Bad ass no joke
It's a congregation of sinners and disciples
Yeah it's a redneck revival

Yeah it's bikers, truckers
Fighters and lovers
It's the damndest thing you ever saw y'all

It's a homegrown mix of the bottle and the Bible
Country boy survival
Dog tags Mossy Oak
Bad ass no joke
It's a congregation of sinners and disciples
Yeah redneck revival

It's a homegrown mix of the bottle and the Bible
Country boy survival
Dog tags Mossy Oak
Bad ass no joke
It's a congregation of sinners and disciples, yeah
Redneck revival
Yeah, it's a congregation of sinners and disciples
Redneck revival
