## **Christ And The Saddle Boogie Band**

Cause tonight we came ...

## **Chris LeDoux**

Well its good to see you folks tonight I hope you got your hats on tight And I hope you're ready to hear some cowboy songs You can listen up or party down have a cup or stick around There ain't no blues gonna hang around here too long Cause tonight we came to have a down home good time Gonna do some songs about this western land We might even pick until the morning sunshine We the wild and wooly saddle boogie band If your tired of love sick blues cheating songs that were born to lose Well boy I'll tell you you came to the right place We're gonna do some western soul a little cowboy rock and roll Guarantee to put a smile right on your face
