

Someday Soon

Chris LeDoux

There's a young man that I know just turned twenty-one
Comes from down in southern Colorado
Just out of the service, he's lookin' for his fun
Someday soon, goin' with him someday soon

Her parents cannot stand him 'cause he rides the rodeo
They say he's not her kind, he'll leave her cryin'
If he asks she'll follow him down the toughest road to Hoe
Someday soon, goin' with him someday soon

Oh, when he visits her, her pa ain't got one good thing to say
Gotta hunch he was just as wild in his younger days

Oh blow you old Blue Northern, blow him back to her
He's likely drivin' back from California
He loves his damned old rodeo as much as he loves her
Someday soon, goin' with him someday soon

Oh blow you old Blue Northern, blow him back to her
Someday soon, goin' with him someday soon
Someday soon, goin' with him someday soon
