

Daycare Closed

Chris Mann

Yeah, I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more
I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more

I been up since the crack
Soul is turnin' black
I'd Venmo all my cash
If the school'd take my kid back
He rides me like a horse
Recession took my shorts
Play dough, Nemo, finger paintin'
While we stuck up on the porch

When can all the schools reopen?
When can all the schools reopen?
When can all the schools reopen?
When can all the schools reopen?

Daddy, make me sandwich
Hold up, make that fish sticks
Go and make me pastrrr
And put on Daniel Tigerrr
My life is a movie
Groundhog Day and Raffi
Volcano so crafty
Can I drink this early?

When can all the schools reopen?
When can all the schools reopen?
When can all the schools reopen?
When can all the schools reopen?

Yeah, I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more
I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more

iPad, ice cream, throw a tantrum and scream
Time out, 15 minutes, thank God, time for HGTV
Baby's got a habit Blippi, Garbage trucks and sports cars
Ridin' my last nerve like Cardi B's nails on a chalkboard
So much stress, bouncy castle's flat
Jesus take the wheel, get the teachers back
Wish I could sleep all day but the daycare's closed
I'm gonna cry til I can't no more

Yeah, I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more
I gotta play all day cause the daycare closed
I'm gonna cry til I can't no more
